Women who are reading this blog may not feel prepared to deal with your boss's most sensitive and vulnerable area: the genitals. If so, maybe the universe is offering you a way to deal with this situation without derailing your career. (And maybe not. It's your boss.) I don't know if I was born with it (or, if you know me, whether you thought I was born with it) but I've always had a fondness for the divine. When I was a teenager, I would lie on my bed after an overnight stay at the hospital, wondering where, among
